Hi!

# InterAct Holiday Workshops

## What is InterAct?

InterAct is a project of The Stagecoach Charitable Trust, supported by Stagecoach Theatre Arts plc, the world's largest part-time performing arts school. It aims to bring together groups of young people who wouldn't traditionally be in the same room together. InterAct provides disadvantaged youth with real opportunities to develop valuable skills for life through dance, drama and singing.

**InterAct is a registered charity (reg charity number 1081561) and** is for children and young people, from whatever background, who for whatever reason, finds it difficult to join in with musical theatre schools like Stagecoach.

**InterAct** is an inclusive performance workshop designed to make drama, music and movement accessible to as wide a group of young people as is possible.

**InterAct** is for young people aged 10 to 16. It involves both special needs and mainstream children coming together to develop confidence-building activities through drama, dance and music. Participants are invited onto the programme at no charge.

One of the most crucial aspects of **InterAct** is its aim to bring together groups of people that wouldn't traditionally be in the same room.

The impact is staggering: the young people are aware of each other's differences, but this consciousness passes very quickly and turns into an appreciation and respect for what each individual brings and shares with the group.

## Format

- The students are 10-16 years old (19 if at a Special School).
- Each of the workshops is split 3 ways between drama, movement and music.
- Each session lasts 2 ½ hours, with a 10-minute break.
- All the activities take place in one large space involving the whole group.
- The workshop will be **free of charge** to all students
- There will be one workshop in the mornings (5 sessions) and one in the afternoons (5 sessions)
- Children will come from ALL backgrounds, including mainstream schools.
- There will be up to 30 places available per workshop
- There will be a performance (demonstration) on the last day of the workshop
